Frogan's Lawsuit Defense Fund

 Frogan TV

 Donation protected

After nearly two years of a targeted harassment campaign against me, Ethan Klein has now escalated it into suing me for reacting to his video on Hasan and myself on his video titled "Content Nuke - Hasan Piker". This fundraiser is to cover any and all legal fees associated with his complaint, any counterclaims I may have against him, and any other bills and personal expenses from lost wages and damages arising from this litigation.
